

# Greenbikes' Map

**Bon Bini na Boneiru! Welcome to Bonaire!** We are happy to share our love for Bonaire. Therefore we have made a map with some of our favorite highlights of the island. We hope that our pointers make your ride even more fun! Feel free to ask our staff about more nice places and delicious food suggestions on the island.

**Masha Danki!!**

the Cadushy Distillery is the only place in the world where they make liquer from cactus. Or, if you dare, you can try typical local food (goat, iguana, etc.) at Posada Para Mira. You can find both in Rincón.

Walk around this Native Garden and learn about Bonaire's endangered native plants and trees. You help protecting the Shimaruku Cherry trees by renting a Greenbike! Open Thu, Fri & Sat morning

**We are Here;**  
Julio A. Abrahamboulevard 13

**Mangrove Centre**

**Lac Bai**

**Sorobon**

Sorobon is a beloved place if you like windsurfing or if you enjoy the 'beach vibes'

**Old Slave Huts**

**Salt Pier & Salt Pans**

Sometimes there is a box with salt stones at the gate, feel free to take one as a souvenir!

There are plenty of incredible dive and snorkel sites on Bonaire. You can recognize them by the yellow stones with the name of the site. Be aware of the coral, sea urchins and stones when you enter the water. Water shoes can make it more comfortable for you.

It's a popular sandy beach, and there are delicious food trucks

**Te Amo Beach**

**Klein Bonaire**

If you're lucky, you might spot a sea turtle. Or simply enjoy the beautiful scenery.

**1,000 Steps**

**Seru Largu**

**Tera Barra**

**Alta Miro Ujo**

**Gotomeer**

**Rincón**

**Washington-Slagbaai National Park**

**Help us keep Bonaire beautiful and be mindful of our ocean, animals and culture. Please clean up after yourself and only capture the wildlife, nature and coral on your photos.**
